

FEATURED STORIES

Notes from the Chair – Kate Hobbs

'Yes, I would like to spend more time with my family and friends and not be on such friendly terms with airport staff or the inside of a hire car. But I love what I do. I like that my role allows me to make a significant difference to the organisations I work with as well as a chance to develop myself professionally.' [Read more](#)

Women in Mining Network (WIMnet) Conference Grants

The WIMnet Conference Grant scheme was created to support women who wish to present technical abstracts as well as attend conferences for professional development and networking purposes. [Read more](#)

WIMnet NSW update

All the latest WIMnet news and activities from across New South Wales, including a rooftop gathering in Sydney and speed networking in the Hunter Valley. [Read more](#)

Reaching your potential – International Women's Day 2016

To celebrate International Women's Day over 60 women and men were treated to a challenging and empowering professional development session. Four remarkable speakers shared their personal anecdotes and what they had learnt to help the attendees reach their potential. [Read more](#)

WIMnet Tasmania and Tasmanian Student Chapter joint event

WIMnet Tasmania recently held a very successful joint function with the Tasmanian Student Chapter. The chapter holds an annual Students Meet Industry dinner and this year combined it with the first WIMnet Tasmania event of 2016. [Read more](#)

INDUSTRY ANALYSIS

Commodity prices and their continuing impact on the professional skills pipeline

Gavin Lind, Executive Director at the Minerals Tertiary Education Council, shows that trends in enrolment data for minerals degrees point to a need for higher education reform. [Read more](#)

The social psychology of risk, safety and leadership maturity

Dr Robert Long, keynote speaker at the upcoming Mass Mining 2016 conference, argues that social arrangements can affect decision-making and judgement in the workplace. [Read more](#)
