The Annual Tasmanian Branch President's Dinner will be held on Tuesday 19 September 2017 in Hobart.

Our Guest of Honour will be Colin Moorhead - President, The AusIMM.

The Tasmanian Branch Presidents Dinner will be held in conjunction with the commencement of the 10th International Mine Geology Conference which will be held from 20 – 22 September.

We will also have a guest speaker Dr Nic Haygarth- Historian and book publisher of his book “On the Ossie: Tasmanian osmiridium and the fountain pen industry”

Nic will talk about osmiridium both on west coast and at Adamsfield, that includes a bit on the *Jewelled nights* movie shoot, the market for point metal osmiridium for fountain pen nib tips, some of the characters like William Caudry (owner of the first known osmiridium reef mine anywhere in the world), Hooky Jack Baptiste (one-armed Portuguese prospector), Mulga Mick O'Reilly (Irish socialist at Adamsfield), Jos Hancock and the Staceys.

Delegates attending this conference are welcome to register and join this optional event and network with the Tasmanian Branch members.

Partners are invited to join us for this dinner.
