

AusIMM Course Recognition Program Undergraduate courses

University representatives who would like further courses not currently recognised to be considered should let us know by emailing education@ausimm.com.au.

Recognised Geosciences courses:

University	State	Degree
Australian National University	ACT	Bachelor of Science (Earth Science)
		Bachelor of Science (Advanced) (Honours)
		Bachelor of Science (Geology/Marine and Earth Science) (Honours)
		Bachelor of Science (Physics of the Earth) (Honours)
Curtin University of Technology	WA	Bachelor of Science (Applied Geology)
		Bachelor of Science (Geophysics)
		Bachelor of Science (Applied Geology) (Honours)
		Bachelor of Science (Geophysics) (Honours)
Flinders University	SA	Bachelor of Arts (Earth Sciences)
James Cook University	QLD	Bachelor of Geology
		Bachelor of Science (Geology)
		Bachelor of Geology (Honours)
		Bachelor of Science (Geology) (Honours)
Macquarie University	NSW	Bachelor of Science (Geology)
		Bachelor of Science (Geophysics)
		Bachelor of Science (Earth Sciences) (Honours)
		Bachelor of Science (Geology and Geophysics) (Honours)
Monash University	VIC	Bachelor of Science (Geosciences)
		Bachelor of Science (Geophysics) (Honours)
		Bachelor of Science (Geosciences) (Honours)
Queensland University of Technology	QLD	Bachelor of Applied Science (Geosciences)
		Bachelor of Science (Earth Science)
		Bachelor of Applied Science (Geology) (Honours)
University of Adelaide	SA	Bachelor of Science (Mineral Geoscience)
		Bachelor of Science (Petroleum Geoscience)
		Bachelor of Science (Mineral Geoscience) (Honours)
		Bachelor of Science (Petroleum Geoscience) (Honours)

University of Ballarat (UB) Federation University	VIC	Bachelor of Science (Geology and Geophysics) (Honours)
		Bachelor of Science (Geosciences)
		Bachelor of Applied Science (Geology)
		Bachelor of Applied Science (Geology) (Honours)
University of Melbourne	VIC	Bachelor of Science (Geology)
		Bachelor of Science (Earth Sciences) (Honours)
University of New England	NSW	Bachelor of Geoscience (Fossil Fuels <i>or</i> Mineral Deposits <i>or</i> Remediation)
		Bachelor of Science (Geology/Environmental Geosciences)
		Bachelor of Geoscience (Fossil Fuels <i>or</i> Mineral Deposits <i>or</i> Remediation) (Honours)
		Bachelor of Science (Geology/Environmental Geosciences) (Honours)
University of New South Wales	NSW	Bachelor of Science (Advanced Science) (Earth Sciences)
		Bachelor of Science (Advanced Science) (Geochemistry)
		Bachelor of Science (Earth Sciences) (Honours)
University of Newcastle	NSW	Bachelor of Science (Earth Sciences)
		Bachelor of Science (Earth Sciences) (Honours)
University of Queensland	QLD	Bachelor of Science (Geological Sciences)
		Bachelor of Science (Exploration Geophysics) (Honours)
		Bachelor of Science (Geology) (Extended Honours)
		Bachelor of Science (Geology) (Honours)
University of South Australia	SA	Bachelor of Science (Geoscience) (Honours)
University of Sydney	NSW	Bachelor of Arts (Geology and Geophysics)
		Bachelor of Science (Geology and Geophysics)
		Bachelor of Arts (Geology and Geophysics) (Honours)
		Bachelor of Science (Geology and Geophysics) (Honours)
University of Tasmania	TAS	Bachelor of Science (Geology)
		Bachelor of Science (Economic Geology) (Honours)
		Bachelor of Science (Geochemistry) (Honours)
		Bachelor of Science (Geology) (Honours)
		Bachelor of Science (Geophysics) (Honours)
University of Western Australia	WA	Bachelor of Science (Geology)
		Bachelor of Science (Geology) (Honours)
University of Wollongong	NSW	Bachelor of Science/Bachelor of Science (Advanced) (Geology)
		Bachelor of Science/Bachelor of Science (Advanced) (Geosciences)
		Bachelor of Science/Bachelor of Science (Advanced) (Geology) (Honours)
		Bachelor of Science/Bachelor of Science (Advanced) (Geosciences) (Honours)

Recognised Geotechnical Engineering courses:

University	State	Degree
University of Queensland	QLD	Bachelor of Engineering (Mining and Geotechnical Engineering)
University of Tasmania	TAS	Bachelor of Engineering (Geotechnical)

Recognised Metallurgy, Materials and Chemical Engineering courses:

University	State	Degree
Curtin University of Technology	WA	Bachelor of Science (Extractive Metallurgy)
		Bachelor of Engineering (Metallurgical Engineering)
		Bachelor of Engineering (Chemical)
James Cook University	QLD	Bachelor of Engineering (Chemical)
Monash University	VIC	Bachelor of Engineering (Chemical)
Murdoch University	WA	Bachelor of Extractive Metallurgy
		Bachelor of Science (Mineral Science)
RMIT University	VIC	Bachelor of Engineering (Chemical Engineering)
University of Adelaide	SA	Bachelor of Engineering (Chemical - Minerals Processing)
		Bachelor of Engineering (Chemical)
University of New South Wales	NSW	Bachelor of Engineering (Chemical)
		Bachelor of Engineering (Industrial Chemistry)
		Bachelor of Engineering (Materials Science/Chemical Engineering)
University of Queensland	QLD	Bachelor of Engineering (Chemical and Materials Engineering)
		Bachelor of Engineering (Chemical and Metallurgical Engineering)
		Bachelor of Engineering (Chemical Engineering)
University of Sydney	NSW	Bachelor of Engineering (Chemical and Biomolecular)
University of South Australia	SA	Bachelor of Engineering (Metallurgy)
University of Wollongong	NSW	Bachelor of Engineering (Materials Engineering)

Recognised Mining Engineering courses:

University	State	Degree
Curtin University of Technology	WA	Bachelor of Engineering (Mining Engineering)
Monash University	VIC	Bachelor of Mining Engineering (Honours)
University of Adelaide	SA	Bachelor of Engineering (Mining)

University of Ballarat (UB) Federation University	VIC	Bachelor of Engineering (Mining)
University of New South Wales	NSW	Bachelor of Engineering (Civil/Mining)
		Bachelor of Engineering (Mining)
University of Queensland	QLD	Bachelor of Engineering (Mining Engineering)
		Bachelor of Engineering (Mining and Geotechnical Engineering)
University of Western Australia	WA	Bachelor of Engineering (Mining)
University of Wollongong	NSW	Bachelor of Engineering (Mining Engineering)
		Bachelor of Engineering (Civil and Mining Engineering)
		Bachelor of Engineering (Mining and Environmental Engineering)

Recognised Environmental Science/Engineering courses:

University	State	Degree
Charles Sturt University	NSW	Bachelor of Environmental Science
Central Queensland University	QLD	Bachelor of Environmental Science
Curtin University of Technology	WA	Bachelor of Science (Environmental Science)
Edith Cowan University	WA	Bachelor of Engineering (Civil and Environmental)
Griffith University	QLD	Bachelor of Engineering (Environmental Engineering)
James Cook University	QLD	Bachelor of Science (Environmental Management)
Macquarie University	NSW	Bachelor of Science (Environmental Earth Sciences)
		Bachelor of Science (Environmental Geology)
Monash University	VIC	Bachelor of Environmental Engineering (Hons)
Murdoch University	WA	Bachelor of Engineering (Environmental Engineering)
		Bachelor of Science (Environmental Science)
Queensland University of Technology	QLD	Bachelor of Science (Environmental Science)
RMIT University	VIC	Bachelor of Environmental Science
University of Adelaide	SA	Bachelor of Engineering (Civil and Environmental)
University of Ballarat (UB) Federation University	VIC	Bachelor of Civil and Environmental Engineering (Hons)
University of Melbourne	VIC	Bachelor of Engineering (Environmental Engineering)
University of New England	NSW	Bachelor of Environmental Science
University of Newcastle	NSW	Bachelor of Environmental Science Management
University of Queensland	QLD	Bachelor of Environmental Science (Earth Resources)
University of South Australia	SA	Bachelor of Science (Advanced Materials)
University of Southern Queensland	QLD	Bachelor of Engineering Science (Environmental Engineering)
University of Sydney	NSW	Bachelor of Engineering (Civil) (Environmental) (Hons)

University of Tasmania	TAS	Bachelor of Engineering (Environmental Engineering)
University of Technology Sydney	NSW	Bachelor of Engineering (Environment)
University of Sunshine Coast	QLD	Bachelor of Engineering (Civil) (Honours) / Bachelor of Environmental Science
University of Western Australia	WA	Bachelor of Science (Environmental Science)
University of Wollongong	NSW	Bachelor of Engineering (Environment)

Recognised Associate Degree courses:

University	State	Degree
Central Queensland University	QLD	Associate Degree in Engineering (Mining)
		Associate Degree in Geoscience
University of Southern Queensland	QLD	Associate Degree in Engineering (Mining)
