This opportunity is brought to you by the **AusIMM Sydney Branch** and **WIMnet NSW - Sydney Committees**.

The AusIMM Sydney Branch and WIMnet NSW committee invites men and women of all experience levels and disciplines in the resources sector to join them for this inaugural Christmas in July Event. Please feel free to bring a spouse, colleague or friend. The event has limited tickets available, so get in quickly!

Stephen Galilee, CEO of NSW Minerals Council, will provide a **State of the mining industry in NSW** address concluding with time for networking over canapes and drinks.

Stephen has been CEO since 2012 and is a strong advocate for diversity in the Australian resources sector. Prior to joining the Minerals Council Stephen worked in politics, including as a Senior Adviser to former Prime Minister John Howard, and Chief of Staff to Mike Baird during his time as NSW Treasurer. He has also worked in small business, and as a consultant to businesses in construction, engineering and infrastructure.

Stephen has an honours degree in economics from the University of Sydney and is a Graduate of the Australian Institute of Company Directors. He is a Trustee Director of the Coal Services Health and Safety Trust, an alternate Director for Industry Superannuation Fund 'Mine Super', and a member of the NSW Government's Resources for Regions Advisory Committee.

This is an excellent opportunity to network with like-minded people of the industry in a relaxed atmosphere. Hope to see you there!
